

【Japanese Language Training】

for personal

We specialize in Japanese lessons for foreign nationals working or training in Japan. Our courses develop Japanese communication abilities for various situations. Students will learn expressions needed for daily life at the office and in the community tailored to the learners specific needs and schedule.

Additionally our experienced Japanese teachers can instruct on Japanese manners to help smooth relationships and interactions with Japanese colleagues and clients.

Features:

1. Learn to converse in practical Japanese.
2. Support for JLPT test preparation.
3. Learn Japanese manners and business etiquette.

Program:

Each course is designed to allow for the needs and current ability of each Japanese learner, decided through interview with the student or their workplace training manager. The course structure will depend on the students desired results and available time to best cater to their learning needs.
