

【Japanese Language Training】

For anybody looking to improve or start learning Japanese!

We specialize in Japanese lessons for foreign nationals working or training in Japan. Our courses develop Japanese communication abilities for various situations. Students will learn expressions needed for daily life at the office and in the community tailored to the learner's specific needs.

Features:

1. Learn to converse in practical Japanese.
2. Support for JLPT test preparation.

Program:

Each course is designed to allow for the needs and current ability of each Japanese learner, decided through an interview with the student. The course structure will depend on the student's desired results.
